Theatre/Folksbiene has found itself new offices and a rehearsal space on the fifth floor of 135 W. 29th St.

They will move from the old Workman's Circle Building at 45 E. 33rd St., which has been sold.

**Sasha Majerovsky** of Citywide Properties brought them to the 12-story Chelsea building, while **Ilan Mosery** of MFM Properties repped the ownership in-house.

The 93-year-old theater company is still searching for a permanent, approxi-

mately 199-seat theater space, said managing director **Georgia Buchanan**.
